

## THE SCHOOL DISTRICT OF LEE COUNTY

**Dear Parent/Guardian,**

During this time of Distance Learning, we want to assure you that, as part of our Learning Continuity Plan, all students receiving 504 accommodations will continue to receive them. Your school-based Equity Coordinator and teachers are checking individual student plans to strategize delivery and/or adaptation of your child's accommodations. They may be in contact with you to seek your assistance in providing them, and/or talk of ways to adapt them to the home environment.

If your child has an accommodation with a school district provided material/equipment support, your teacher or school-based Equity Coordinator will contact you to arrange for sign-out of the item(s) if it is determined to be necessary in a virtual learning environment. If a professional consultation is included in the accommodation plan, we have arranged for this to continue in a virtual environment. Your school-based Equity Coordinator will arrange the scheduling as needed.

We look forward to working with you and your child in this new learning environment and encourage you to reach out to your classroom teacher and school-based Equity Coordinator with your questions. You may also direct your questions to my office using the contact information provided. Thank you.

Chuck Bradley  
Director of Positive Prevention  
District Equity Coordinator for Students
