Get Ready!

Is your child a little nervous for the school year? Do they need a review to start the year off right? Then this is a perfect opportunity for them!

Oasis Elementary School is happy to announce that this summer we will be holding our 5th Grade Readiness Camp for upcoming fifth graders. The camp will be run by certified fifth grade teachers, who are excited to start the year a little early.

In order to participate, your child must be currently enrolled in Oasis and will be attending fifth grade for the 2017-2018 School year.

This camp will focus on reviewing skills needed to be successful in fifth grade and having lots of fun! We will work on reading, math, and science.

The camp will run from 8am-12pm and will only be a half day, so students only need to bring a snack and themselves. Please be on time to pick up your child. After camp care will be offered for a fee and students must bring their lunches if they choose to stay.
