3. OPEN DISCUSSION:

- Progress Monitoring – Mrs. Grecsek discussed the STAR progress results for Reading and Math in grades 2nd, 3rd, 4th and 5th (Kindergarten and 1st grade were not included). The first column is the STAR scores at the beginning of the year. The second column is the latest test scores. Please see PowerPoint for chart comparisons.
- Last year's Science scores were somewhat low so teachers have increased the amount of science labs in the classrooms this year and are already seeing improvement.
- Oasis Elementary South placed in the top 30% of elementary schools in Florida, making it a US News Best Elementary School, 2021-2022.
- Cognia Accreditation – Cognia spoke to everyone and they were very impressed with the school. Oasis is very student centered and data-driven. The school is waiting on the written report with possible improvement ideas.
- Adoption of a new math program will take place after the winter holiday break.
- There is an issue with the large playground steps and slide. It is very expensive to fix. Principal Grecsek is looking into quotes to replace the entire structure vs just fixing the slide and steps.
- Tutoring sessions are expected to begin after the holiday break.
- Donuts with Santa will be on December 11th from 10am -noon.
