Recess

11:00- 11:30- Project
based Math activities
and games

11:30-12:00- Fun
Centers

Get Ready!

Is your child a little nervous for the school year? Do they need a review to start the year off right? Then this is a perfect opportunity for them!

Oasis Elementary School is happy to announce that this summer we will be holding our fourth grade readiness camp for upcoming fourth graders. The camp will be run by certified fourth grade teachers, who are excited to start the year a little early.

In order to participate, your child must be currently enrolled in Oasis and will be attending fourth grade for the 2016-2017 School year.

This camp will focus on reviewing skills needed to be successful in fourth grade and having lots of fun! We will work on Reading and Math skills through project-based learning.

The camp will run from 8am-12pm and will only be a half day, so students only need to bring a snack and themselves. After camp care will be offered for a fee and students must bring their lunches if they choose to stay.
