Reduced and No Cost Applications

As a participant in the National School Lunch program, Oasis schools offer reduced and no cost breakfast and lunch prices for any families that qualify. To apply for this discount, each family must complete an online application. Applications can be found on our webpage at <http://oasiselementarysouth.net/>. Click on the **Parent Portal** at the bottom of the page. Click on myschoolapps.com under the **School Lunch Information** menu. It is important to note that it may take up to 10 days to process your application.

Please be aware that you must pay the full meal price until your application has been approved. Last year's status will carry over for the first 30 days. YOU MUST REAPPLY EVERY SCHOOL YEAR. After September 20, 2024, your child will go back to full paying status without an approved application on file.

In addition, if you believe your family is eligible, you may apply at any time during the school year, and/or update your application if your family income status changes.

Lunch accounts and charges

Lunch accounts must be prepaid via MySchoolBucks (online payment portal - preferred method) or by check or cash. A la cart items (i.e., an extra slice of pizza) can be purchased daily via cash or MySchoolBucks account. When a student's account has run out of funds, a student may receive up to (2) full lunches charged against the account until payment is received. If payment is still not received after the second day, the student will not receive a full lunch, rather a limited lunch with only 2 main meal items and a milk. The lunch system does not allow for the schools to provide change to students therefore all funds received will be applied to the account.

*****Online payments***

Myschoolbucks.com, is an online payment portal designed to allow parents to make quick and easy payments to their child's account. This portal will allow parents to view their child's lunch account balance and will send balance alerts when the account gets low. Additionally, parents can monitor what their child eats each day. Please go to our website at <http://oasiselementarysouth.net/> and click on the **Parent Portal** at the bottom of the page. Then click on the link myschoolbucks.com under **School Lunch Information**.
