

Using Freckle Over the Summer

Updated 6/21/21

Practicing in Freckle 2-3 times a week will help your child practice Reading and Math skills over the summer.

Interested in how you can track the skills your student is working on or needs more help on this summer?
Kindergarten - 2nd Grade: watch [this video](#); 3rd Grade - 5th Grade: watch [this video](#).

Accessing Freckle

Step 1: You will need your child’s summer password, which you can request [here](#). You can also use the same [link](#) for any other Freckle questions.

Step 2: Then go to: <https://student.freckle.com> and put in the Class Code below and the password you receive for your child.
