Dear Oasis Parents and Guardians,

Out of respect for the rights of the Oasis Charter School students who choose to not wear a mask while riding on our school buses, and in order to also protect the health of our valued bus drivers who transport students, we are kindly asking unmasked bus riders to sit at least 6 feet back from their bus driver.

Please understand that our goal is to keep our entire Oasis family and community as safe as we know how, working with whatever resources that are available to us.

Your patience and support during this new Opt-Out protocol on Oasis school buses is greatly appreciated.

Respectfully,

A handwritten signature in black ink that reads "Jacquelin Collins".
